

## Oklahoma State Board of Medical Licensure and OSMA

### Oklahoma Health Care Providers' Responsibilities and Rights Under Certain Medical Treatment Laws

Oklahoma law (Title 63, Sections 3160 & 3161 “Medical Treatment Laws Information Act”) states that all healthcare providers who treat or consult on patients in an Oklahoma inpatient entity, either in person or via telemedicine, must complete this course once every two-calendar year period beginning in 2014.

#### **Target Audience**

Physicians, Allied Medical Professionals, Nurses, Administrators, Office Practice Managers or other parties who treat or advise on patients in an Oklahoma inpatient entity, either in person or via telemedicine.

#### **Course Objectives**

After completing the activity, the healthcare professional should be aware of:

- the Oklahoma laws regarding disagreement with medical treatment directives
- the Oklahoma laws regarding withholding or withdrawing medical treatment
- what violates Oklahoma’s law against assisting suicide
- the legal requirements for Cardiopulmonary Resuscitation and Do Not Resuscitate (CPR & DNR) in Oklahoma
- the requirements concerning nutrition and hydration for patients in Oklahoma

#### **Accreditation Statement**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Oklahoma State Board of Medical Licensure and Supervision (OSBMLS). The Oklahoma State Medical Association (OSMA) is accredited by the ACCME to provide continuing medical education to physicians.

The OSMA designates this internet-based activity for a maximum of **1 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in this activity.

**To officially receive AMA PRA Category 1 Credits™ and a CME certificate of participation, the attendee must complete the online evaluations for each part. Each evaluation (quiz) requires a 100% score to pass.**

#### **Faculty and Disclosures**

In accordance with ACCME requirements on disclosure, CME Planning Committee, faculty and reviewers are asked to disclose any relationships with commercial interests associated with any area of medicine featured in this activity.

The OSMA has implemented a system to resolve conflicts of interest for each CME activity to help ensure content objectivity, independence, fair balance, and that the content is aligned with the mission of the OSMA CME Planning Committee. Conflicts, if any, are resolved through one or more processes. All CME content in this activity was independently reviewed to ensure that it is free of commercial bias.

The

OSMA Planning Committee, Faculty and Reviewers have no relevant financial relationships to disclose. Disclosures of relevant financial relationships, if applicable, will be provided to participants prior to the presentations

“The Oklahoma State Medical Association has been surveyed by the Accreditation Council for Continuing Medical Education (ACCME) and awarded Accreditation with Commendation for six years as a provider of continuing medical education for physicians.

The ACCME accreditation seeks to assure the medical community and the public that the Oklahoma State Medical Association provides physicians with relevant, effective, practice-based continuing medical education that supports US health care quality improvements.

The ACCME employs a rigorous, multilevel process for evaluating institutions’ continuing medical education programs according to the high accreditation standards adopted by all seven ACCME member organizations. These organizations of medicine in the US are the American Board of Medical Specialties, the American Hospital Association, the American Medical Association, the Association for Hospital Medical Education, the Association of American Medical Colleges, the Council of Medical Specialty Societies, and the Federation of State Medical Boards of the US, Inc.”
