ORDER ALLOWING LIMITED PRACTICE
UPON FULFILLMENT OF CERTAIN CONDITIONS

This cause comes on for hearing before the Oklahoma Board of Medical Examiners en banc on January 17, 1987, at 5104 N. Francis, Suite C, Oklahoma City, Oklahoma, pursuant to notice given as required by law and the rules of the Board.

Daniel J. Gamino, Attorney, appeared for the Plaintiff, and the Defendant appeared in person and was represented by T. Logan Brown, Attorney, and advised Mr. Brown was unable to appear because of the weather and Dr. Lases wanted to proceed without counsel present.

The Board of Medical Examiners en banc heard the testimony and reviewed exhibits and being fully advised in the premises, the Board of Medical Examiners therefore finds as follows:

FINDINGS OF FACT

1. That Juan Lases, M.D., holds Oklahoma Medical License No. 10828
2. That the Board of Medical Examiners en banc has jurisdiction over the subject matter herein and that notice has been given in all respects as required by the law and the rules of the Board.
3. That following hearing on September 5, 1986, the Board suspended Oklahoma Medical License No. 10828 of the Defendant until such time as the Board received firsthand data from the Defendant's psychologist and/or psychiatrist which gives a favorable prognosis for recovery and rehabilitation in his case.
4. Defendant testified that since the prior meeting of the Board he had moved to Tulsa, Oklahoma, and was employed part-time at a service station and convenience store working for minimum wage.
5. Defendant further testified that he was attending a sexual addiction anonymous group twice a week in Tulsa and was also continuing to see Dr. Inbody, a psychiatrist.
6. Defendant further testified that he had a divorce from his spouse which was filed and pending but the divorce had not been issued and that Defendant did not have any income or assets remaining in his name.
7. Defendant testified that he had obtained a referral to Dr. Robert Block and had visited with him in a professional manner.
8. Dr. Block appeared and testified as to the general background of sexual addiction and treatment thereof as seen from

his position in private practice and as consulting pediatrician with the OU Medical School in Tulsa, Department of Pediatrics.

9. It was Dr. Block's opinion that the public health, safety and welfare could be protected and the Defendant could be improved and his recovery enhanced by a return to medical practice under certain, limited terms and conditions.
