MEDICAL EXAMINERS

Defendant.

SECOND ORDER ALLOWING LIMITED PRACTICE
UPON FULFILLMENT OF CERTAIN CONDITIONS

This cause came on for hearing before the Oklahoma Board of Medical Examiners en banc on April 30, 1987, at 5104 N. Francis, Suite C, Oklahoma City, Oklahoma, pursuant to notice given as required by law and the rules of the Board.

Daniel J. Gamino, Attorney, appeared for the Plaintiff, and the Defendant appeared in person, without counsel and advised he wanted to proceed without counsel.

The Board of Medical Examiners en banc heard the testimony and reviewed exhibits and being fully advised in the premises, the Board of Medical Examiners therefore finds as follows:

FINDINGS OF FACT

1. That Juan Lases, M.D., holds Oklahoma Medical License No. 10828
2. That the Board of Medical Examiners en banc has jurisdiction over the subject matter herein and that notice has been given in all respects as required by law and the rules of the Board.
3. That there had not been any substantial change of conditions in the circumstances of the Defendant since his prior meeting with the Oklahoma Board of Medical Examiners on January 17, 1987.
4. Defendant testified that he was still employed part-time at a service station and convenience store working for minimum wage. Defendant testified further that he was actively looking for employment in the medical field and was beginning to look outside the area of Tulsa.
5. Defendant further testified that he was continuing his contact with Dr. Robert Block in a professional capacity.
6. The Board found no facts which would be contrary to Dr. Block's previously stated opinion on the record that the public health, safety and welfare could be protected and the Defendant could be improved and his recovery enhanced by return to medical practice under certain, limited terms and conditions.

CONCLUSIONS OF LAW

1. That Juan Lases, M.D., holding Oklahoma Medical License No. 10828, is under the continuing jurisdiction of the Oklahoma Board of Medical Examiners and upon receipt of sufficient evidence the Board has statutory power to terminate the suspension and to impose terms of probation on the Defendant's license.
