ORDER TERMINATING PROBATION

This matter came on for hearing before the Oklahoma Board of Medical Licensure and Supervision on July 12, 2012, at the Board office, 101 N.E. 51st Street, Oklahoma City, Oklahoma, pursuant to notice given as required by law and rules of the Board.

Applicant, Lori Eldean Hansen, M.D., holding Oklahoma medical license no. 13287, appeared in person and pro se.

The Board sitting *en banc* after hearing testimony, reviewing the request and other materials presented, and being fully apprised of the premises, made the following Findings of Fact, Conclusions of Law and Orders:

FINDINGS OF FACT

1. The Board *en banc* has jurisdiction over the subject matter herein, and notice has been given in all respects as required by law and the rules of the Board.
2. Dr. Hansen currently holds medical license no. 13287 under an indefinite term of probation that commenced on September 20, 2007.
3. On July 22, 2010, Dr. Hansen requested that her probation be terminated so that she could join the American Academy of Cosmetic Surgery. The Board denied her request.
4. On September 15, 2011, Dr. Hansen requested that her probation be terminated so that she could join one of her professional organizations and so that she could apply for hospital privileges. The Board denied her request.
5. On July 12, 2012, Dr. Hansen requested that her probation be terminated so that she could join one of her professional organizations and so that she could apply for hospital privileges.

6. The evidence reflects the following:
- a. On January 18, 2002, Dr. Hansen's license was first suspended by the Board.
 - b. On July 18, 2002, Dr. Hansen's license was reinstated and she was placed on a five (5) year probation.
 - c. In July 2005, Dr. Hansen relapsed on alcohol.
 - d. On March 9, 2006, Dr. Hansen voluntarily surrendered her license in lieu of prosecution.
 - e. On September 20, 2007, the Board reinstated Dr. Hansen's license under indefinite probation.
 - f. At the time of this request for termination of probation, Dr. Hansen has served approximately four (4) years and ten (10) months of her indefinite probation.

7. Dr. Hansen has complied to date in all respects with the terms of probation, and the purposes of the probationary period have been accomplished. Dr. Hansen has presented sufficient evidence to support the requested termination.

CONCLUSIONS OF LAW

- 1. The Board has jurisdiction to hear this matter pursuant to 59 O. S. § 480 *et seq.*
- 2. Dr. Hansen has presented satisfactory evidence to justify termination of her probationary period. The purposes of the probationary period have been accomplished by Dr. Hansen's compliance with the probationary terms. No useful purpose would be gained by having Dr. Hansen remain on probation.

ORDER

IT IS THEREFORE ORDERED by the Board of Medical Licensure and Supervision as follows:

- 1. Dr. Hansen's application to terminate probation is **GRANTED** and her indefinite probationary period is terminated immediately.

2. A copy of this written order should be sent to Dr. Hansen as soon as it is processed.
