OKLAHOMA STATE BOARD OF
MEDICAL LICENSURE & SUPERVISION

Case No. 96-09-1846

ORDER MODIFYING PROBATION

This matter came on for hearing before the Oklahoma Board of Medical Licensure and Supervision on May 29, 1998, at the Conference Center of the Oklahoma Association of Insurance Agents, 1000 N.W. 50th Street, Oklahoma City, Oklahoma, pursuant to notice given as required by law and rules of the Board.

Brian K. Hall, M.D., (Defendant) appeared in person, *pro se*, thereby waiving his right to legal counsel at the hearing.

The Board sitting *en banc* after hearing testimony, reviewing the request and other materials presented, and being fully apprised of the premises, made the following Findings of Fact:

FINDINGS OF FACT

1. The Board *en banc* has jurisdiction over the subject matter herein, and notice has been given in all respects as required by law and the rules of the Board.

2. Defendant is licensed as a physician and surgeon in Oklahoma under Oklahoma Medical License No. 13764.

3. On January 9, 1997 Defendant entered into a Voluntary Submittal to Jurisdiction (VSJ) following a complaint and citation for unprofessional conduct. The VSJ formally reprimanded Defendant and placed him on probation for a period of three (3) years as more fully described therein.

4. After serving approximately one year of his three-year probationary period, Defendant now seeks termination of the remaining two years of the probationary period.

5. Defendant presented satisfactory evidence to justify removal of the term of probation requiring Defendant to submit biological fluid specimens for testing by the Board but has not shown sufficient evidence to justify waiver of the remaining two years of his probationary period.

CONCLUSIONS OF LAW

1. The Board has jurisdiction to hear this matter pursuant to 59 O. S. § 481 *et seq.*

2. Defendant presented satisfactory evidence to justify removal of the term of probation requiring Defendant to submit biological fluid specimens for testing by the Board but has not shown sufficient evidence to justify waiver of the remaining two years of his probationary period.

ORDER

IT IS THEREFORE ORDERED by the Board of Medical Licensure and Supervision as follows:

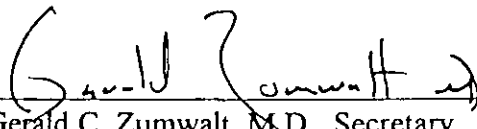

1. Defendant's motion to terminate the remainder of the probationary period imposed under the VSJ is **DENIED**.

2. The VSJ is **MODIFIED** to delete the term of probation which requires testing of biological fluid specimens from Defendant.

3. Except as expressly modified in this order, all other terms and conditions of the VSJ entered on March 14, 1997 in this case shall remain in full force and effect until further modified or terminated by Board order upon its own motion or pursuant to motion of Defendant.

4. A copy of this written order shall be sent to Defendant as soon as it is processed.

Dated this 4 day of June, 1998.

Oklahoma State Board of Medical
Licensure and Supervision
