OKLAHOMA STATE BOARD OF  
MEDICAL LICENSURE & SUPERVISION

Case No. 10-09-4082

**FINAL ORDER OF SUSPENSION**

This cause came on for hearing before the Oklahoma State Board of Medical Licensure and Supervision (the "Board") on November 4, 2010, at the office of the Board, 101 N.W. 51<sup>st</sup> Street, Oklahoma City, Oklahoma, pursuant to notice given as required by law and the rules of the Board.

Elizabeth A. Scott, Assistant Attorney General, appeared for the plaintiff and defendant appeared not.

The Board *en banc* after hearing arguments of counsel, reviewing the exhibits admitted and the sworn testimony of witnesses, and being fully advised in the premises, found that there is clear and convincing evidence to support the following Findings of Fact, Conclusions of Law and Orders:

***Findings of Fact***

1. The Board is a duly authorized agency of the State of Oklahoma empowered to license and oversee the activities of physicians and surgeons in the State of Oklahoma pursuant to 59 Okla. Stat. §480 *et seq.* The Board has jurisdiction over this matter, and notice has been given in all respects in accordance with law and the rules of the Board.

2. Defendant, Reynaldo Adrillana De Los Angeles, M.D., holds Oklahoma medical license no. 13912.

3. On or about May 12, 2010, Defendant executed an Agreed Settlement with the Division of Public Health, State of Nebraska, whereby he admitted the allegations set forth in the Petition for Disciplinary Action filed by the Nebraska Attorney General's Office and agreed that disciplinary action would be taken upon his medical license. Specifically, Defendant admitted that (a) he had transported numerous controlled dangerous substances that he had purchased to dispense to one of his medical offices where he was not registered to dispense controlled dangerous substances, (b) he did not keep records of the controlled dangerous drugs stored at any of his medical offices, and (c) he used some of the Provigil purchased to dispense to patients for his own personal use without a valid prescription, all in violation of the Nebraska unprofessional conduct laws and rules, as well as the Uniform Controlled Substance Act.

4. On or about June 17, 2010, Defendant submitted his Application for Renewal of Oklahoma License for the period July 2, 2010 through July 1, 2011. In response to the question "Since the last renewal...have you been investigated by or requested to appear before a licensing or disciplinary agency other than the Oklahoma State Board of Medical Licensure and Supervision?" Defendant falsely answered "NO".

5. On or about July 13, 2010, Defendant was disciplined by the Division of Public Health, State of Nebraska whereby he was fined five-thousand dollars (\$5,000.00). His license was additionally restricted whereby he was not allowed to keep controlled dangerous substances on the premises of his medical practice, he was not allowed to transport controlled dangerous substances between his practice locations, and he was required to complete an ethics course pre-approved by the Nebraska Board of Medicine and Surgery.

6. Defendant is guilty of unprofessional conduct in that he:

- A. Was subject to disciplinary action of another state or jurisdiction based upon acts or conduct by the licensee similar to acts or conduct that would constitute grounds for action as defined in this section pursuant to OAC 435:10-7-4(31).
- B. Failed to keep complete and accurate records of purchase and disposal of controlled drugs or of narcotic drugs in violation of 59 O.S. 509(10).
- C. Violated any state or federal law or regulation relating to controlled substances in violation of OAC 435:10-7-4(27).
- D. Prescribed, sold, administered, distributed, ordered, or gave any drug legally classified as a controlled substance or recognized as an addictive dangerous drug to a family member or to himself or herself in violation of OAC 435:10-7-4(26).

- E. Purchased or prescribed any regulated substance in Schedule I through V, for the physician's personal use in violation of OAC 435:10-7-4(5).
- F. Engaged in fraud or misrepresentation in applying for or procuring a medical license or in connection with applying for or procuring periodic reregistration of a medical license in violation of OAC 435:10-7-4(8).

### *Conclusions of Law*

1. The Board has jurisdiction and authority over the Defendant and subject matter herein pursuant to the Oklahoma Allopathic Medical and Surgical Licensure and Supervision Act (the "Act") and its applicable regulations. The Board is authorized to enforce the Act as necessary to protect the public health, safety and welfare.

2. Defendant is guilty of unprofessional conduct in that he:

- A. Was subject to disciplinary action of another state or jurisdiction based upon acts or conduct by the licensee similar to acts or conduct that would constitute grounds for action as defined in this section pursuant to OAC 435:10-7-4(31).
- B. Failed to keep complete and accurate records of purchase and disposal of controlled drugs or of narcotic drugs in violation of 59 O.S. 509(10).
- C. Violated any state or federal law or regulation relating to controlled substances in violation of OAC 435:10-7-4(27).
- D. Prescribed, sold, administered, distributed, ordered, or gave any drug legally classified as a controlled substance or recognized as an addictive dangerous drug to a family member or to himself or herself in violation of OAC 435:10-7-4(26).
- E. Purchased or prescribed any regulated substance in Schedule I through V, for the physician's personal use in violation of OAC 435:10-7-4(5).
- F. Engaged in fraud or misrepresentation in applying for or procuring a medical license or in connection with applying

for or procuring periodic reregistration of a medical license in violation of OAC 435:10-7-4(8).

3. The Board further found that the Defendant's license should be suspended based upon any or all of the violations of the unprofessional conduct provisions of 59 O.S. §509(10) and OAC Title 435:10-7-4(5), (8), (26), (27) and (31).
