OKLAHOMA STATE BOARD OF  
MEDICAL LICENSURE & SUPERVISION

MODIFICATION OF PROBATION

This cause came on for hearing before the Oklahoma Board of Medical Licensure and Supervision on June 25, 1993, at the office of the Oklahoma State Board of Medical Licensure and Supervision, 5104 N. Francis, Suite C, Oklahoma City, Oklahoma, pursuant to notice given as required by law and the rules of the Board.

Daniel J. Gamino, Attorney, appeared for the Plaintiff; and Charles Wayne Dickerson, M.D., Defendant, appeared in person and by counsel, Ray G. Moss, Attorney, Two Leadership Square, Suite 1200, 211 N. Robinson, Oklahoma City, OK 73102.

The Board of Medical Licensure and Supervision en banc heard testimony, reviewed exhibits and being fully advised in the premises, the Oklahoma Board of Medical Licensure and Supervision finds as follows:

FINDINGS OF FACT

1. That Defendant, Charles Wayne Dickerson, M.D., holds Oklahoma Medical License No. 14590.

2. That the Oklahoma Board of Medical Licensure and Supervision en banc has jurisdiction over the subject matter herein and that notice has been given in all respects as required by law and the rules of the Board.

3. That following notice and hearing on June 26, 1992, the Board placed the Defendant on probation to the Oklahoma Board of Medical Licensure and Supervision for a period of five (5) years under certain enumerated terms and conditions.

4. That since the imposition of that probation Defendant has maintained his medical practice in compliance with all requirements set by the Board therein.

5. That evidence indicates that the terms and conditions of probation may be modified to allow Defendant to prescribe, administer or dispense Schedule II and III controlled dangerous substances on serially-numbered, duplicate prescription pads and that Defendant should make the copies available to the Investigators of the Oklahoma State Board of Medical Licensure and Supervision at their request, to include all dispensing records on CDS and to include sample medication.

CONCLUSIONS OF LAW

1. That the Board has jurisdiction and discretion to modify terms and conditions of probation consistent with evidence presented to it.

ORDER

IT IS THEREFORE ORDERED by the Oklahoma Board of Medical Licensure and Supervision as follows:

1. That the application of the Defendant, Charles Wayne Dickerson, M.D., holding Oklahoma Medical License No. 14590, for modification of terms and conditions of probation should be and is hereby GRANTED to allow Defendant to prescribe, administer and dispense Schedule II and III controlled dangerous substances on serially-numbered, duplicate prescription pads and to make copies available to the Investigators of the Oklahoma State Board of Medical Licensure and Supervision at their request, to include all dispensing records on CDS and to include sample medication.

- (g) During the period of probation Defendant shall keep substantial and adequate medical records in order to support all diagnosis, treatment, and prescription, administration and dispensing of controlled dangerous substances and narcotic drugs.

- (h) During the period of probation the Defendant shall not supervise a Physician Assistant.
- (i) That violation of any of the terms and conditions of probation shall be grounds for additional charges to be presented to the Board after notice to the Defendant.

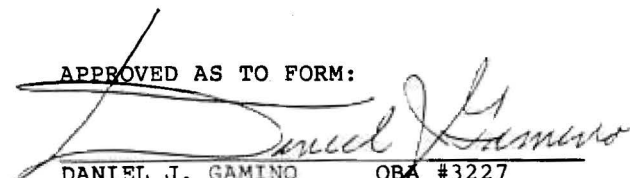

3. That the jurisdiction of the Board in this individual proceeding will continue until the terms and conditions of this probation are modified or lifted by the Oklahoma Board of Medical Licensure and Supervision on their own motion or on the motion of the Defendant.

4. That failure to meet any of the above terms of probation will constitute cause for the Board to initiate additional proceedings to suspend or revoke Defendant's Oklahoma Medical License, after additional due notice and hearing.
