COMES NOW the Defendant, MICHAEL BRITTON BEASON, M.D., the undersigned, and states that on this 10 day of April, 1989, he is of sound mind and not under the influence of any medication or drug or impaired therefrom, and said Defendant does further recognize his right to legal counsel and being advised of his right to legal counsel has chosen to proceed without counsel insofar as this Voluntary Submittal to Jurisdiction is concerned, and being advised of his right to appear before the Oklahoma State Board of Medical Licensure and Supervision en banc for evidentiary hearing on the Complaint filed herein, does of his own volition and decision waive and forego his right to appear before the Board for full hearing as authorized by 59 O.S. (a) During the period of probation Defendant will not prescribe, administer or dispense any controlled and dangerous substance with the exception that the Defendant may administer/

order controlled and dangerous substances to hospital in-patients only.

(b) That during the period of probation Defendant will take no medication except that which is authorized by a physician treating him for a legitimate medical need and Defendant shall have an affirmative duty to inform any physician treating him of Defendant's previous use of controlled dangerous substances and alcohol.

(c) That during the period of probation Defendant will not prescribe, administer or dispense any medications for his personal use, to specifically include controlled dangerous substances.

(d) That during the period of probation Defendant will abstain from consuming alcohol or any substance, licit or illicit, specifically including but not limited to controlled dangerous substances, which would adversely affect his ability to practice medicine or surgery as interpreted by the Oklahoma State Board of Medical Licensure and Supervision.

(e) That during the period of probation Defendant will submit biological fluid specimens to include, but not limited to, blood and urine, for analysis, upon request of any Investigator or other agent representing the Oklahoma State Board of Medical Licensure and Supervision, and Defendant will pay for testing and analysis of those specimens.

(f) During the period of probation Defendant will continue active participation in support programs operated through the Physician Recovery Committee of the Oklahoma State Medical Association and any psychological counseling, as recommended by the Board or any representative thereof.

(g) During the period of probation Defendant will furnish to the office of the Oklahoma State Board of Medical Licensure and Supervision all current legal addresses and any change of address in writing.

(i) Defendant shall appear before the Board en banc or a designated member thereof whenever requested to do so.

(j) During the period of probation Defendant will submit to the Investigation Division of the Oklahoma State Board of Medical Licensure and Supervision any required reports and forms on a timely and prompt basis.

(k) Pursuant to Section 26, H.B. 1478, 1987 Legislature, Defendant shall promptly pay upon receipt of invoice from the Investigative Division of the Board the costs of investigation, prosecution and probation of this case.

(l) That violation of any of the terms and conditions of probation shall be grounds for additional charges to be presented to the Board after notice to the Defendant.

(m) That Defendant gives blanket permission to the Oklahoma State Board of Medical Licensure and Supervision to obtain all otherwise

confidential information pertaining to the Defendant's physical, mental, emotional conditions as observed by colleagues, family members, professionals or associates to include hospital personnel and patients.

(n) Defendant shall advise the Investigation Division of the Oklahoma State Board of Medical Licensure and Supervision of all physicians who have treated him within the last five (5) years, including their address and telephone number and a summary of the treated illness, and Defendant shall sign a release allowing Investigators of the State Board to obtain and review those records kept by those physicians relating to that care and treatment.

2. That the jurisdiction of the Board in this individual proceeding will continue in this matter until the terms and conditions of probation are modified or lifted by the Oklahoma State Board of Medical Licensure and Supervision on their own motion, or on the motion of the Defendant.

3. The Defendant further agrees that failure to meet any of the above terms of probation will constitute cause for the Board to initiate additional proceedings to suspend or revoke Defendant's Oklahoma Medical License, after additional due notice and hearing.

I have read this instrument and understand same.
