MAY 07 1999

OKLAHOMA STATE BOARD OF
MEDICAL LICENSURE & SUPERVISION

Case No. 98-10-2034

ORDER OF SUSPENSION
UNDER TERMS OF PROBATION

This cause came on for hearing before the Oklahoma State Board of Medical Licensure and Supervision (the "Board") on May 7, 1999, at the office of the Board, 5104 N. Francis, Suite C, Oklahoma City, Oklahoma, pursuant to notice given as required by law and the rules of the Board.

Daniel Gamino appeared for the Plaintiff. Defendant appeared *pre se*, thereby waiving his right to legal counsel.

The Board *en banc*, after hearing arguments of counsel, reviewing the exhibits admitted and the sworn testimony of Defendant, and being fully advised in the premises, found that there is clear and convincing evidence to support the following Findings of Fact, Conclusions of Law and Orders as follows:

Findings of Fact

1. The Board is a duly authorized agency of the State of Oklahoma empowered to license and oversee the activities of physicians and surgeons in the State of Oklahoma pursuant to 59 Okla. Stat. §480 *et seq.* The Board has jurisdiction over this matter, and notice has been given in all respects in accordance with law and the rules of the Board.
2. Defendant, Michael K. Crawford, M.D., holds Oklahoma license no. 14749.
3. On or about March 19, 1998, Defendant used a blank pharmacy prescription pad at a local pharmacy in Edmond, Oklahoma to write himself a prescription, Rx 4801174, for 100

50mg. Didrex (benzphetamine, Schedule III). The prescription noted "Emergency Situation Dr. leaving town" and Defendant referenced the name "McCurdy" in the space for an address. Upon information and belief, the reference to "McCurdy" is to Joe McCurdy, M.D., Oklahoma medical license number 13910. Dr. McCurdy denies authorizing the March 1998 prescription.

4. Pharmacy records show that Defendant also wrote himself a prescription, Rx# 3386881, for 120 tablets of Didrex (C-III) on December 31, 1997.

5. In November 1997, Defendant had one of his office assistants call in an unauthorized prescription for Didrex (C-III) using the name of Joe McCurdy, M.D., Oklahoma medical license number 13910. Dr. McCurdy did not authorize the prescription.

6. Defendant filed the following prescriptions allegedly authorized by Dr. McCurdy at local pharmacies. Dr. McCurdy denies authorizing the following prescriptions for Defendant:

| Date | Rx# | Substance | Schedule |
|----------|---------|------------------|----------|
| 12-10-97 | 3036404 | Didrex 50mg #100 | C-III |
| 1-7-98 | 4670483 | Didrex, #120 | C-III |

Dr. McCurdy's charts do not reflect the foregoing prescriptions but they do indicate prescriptions to Defendant for Didrex (C-III) on December 31, 1997, and February 26, 1998

7. During part of this same period, Defendant was also getting Didrex (C-III) from Larry Deck, Oklahoma medical license number 16185. Dr. Deck prescribed Didrex, 50 mg., 100 tablets each (C-III), to Defendant four times from December 24, 1997 to April 7, 1998. On or around April 1998, Dr. Deck ceased prescribing for Defendant when he learned that Defendant was getting prescriptions for the same substance during that same time from Dr. McCurdy. Dr. Deck and others confronted Defendant about Defendant's possible substance abuse and contacted the Oklahoma Physician's Recovery Group.

8. Also during approximately this same period, Defendant admitted that he wrote Didrex (C-III) prescriptions to his wife and mother-in-law. Pharmacy records show that Defendant wrote at least six (6) prescriptions for Didrex (C-III) to his wife from November 1997 through October 1998 and four Schedule III controlled drug prescriptions to his mother-in-law from March 29, 1997 through January 13, 1998.

| DATE | NAME | DRUG | QTY | RX# | Schedule |

| 3/29/97 | M-I-L | Hydrocodone 10mg | 6 | 34737 | III |

| 1/13/98 | M-I-L | Didrex | 100 | 122816 | III |

9. Defendant has admitted abusing Didrex (C-III) and has been assessed for possible treatment at Talbot in Atlanta, Georgia. However, Defendant declined to follow the treatment plan recommended by Talbot and elected to seek treatment on his own. Defendant has subsequently been assessed and sought treatment at Rush in Chicago, Illinois.

10. Defendant has admitted giving prescriptions for controlled substances to two friends of Patient C, Male A and Male B, at their request, while they were present with Defendant at a golf course. Defendant did not make charts on the two men and did not examine them prior to issuing the prescriptions. The prescriptions are as follows:

| Date | Rx # | "Patient" | Substance | Schedule |
|----------|---------|-----------|--------------------|----------|
| 12/15/97 | 2204255 | A | Oxycodone | C-II |
| 9/2/98 | 2204641 | B | Oxycodone | C-II |
| 9/2/98 | 495733 | A | Hydrocodone 10 MG | C-III |
| 9/23/98 | 2204674 | B | Oxycodone | C-II |
| 9/28/98 | 80158 | A | Hydrocodone 7.5 MG | C-III |
| 10/8/98 | 81449 | B | Hydrocodone 7.5 MG | C-III |

11. Defendant treated his personal friend, Patient C, for narcolepsy with Desoxyn (methamphetamine, Schedule II) and Didrex (Schedule III), despite Defendant's belief that Patient C had a drug problem and his attempt to "wean her off all of her meds". Patient C's medical chart reflects a prior diagnosis of anorexia and notations of weight loss problems but fails to substantiate a diagnosis or history of narcolepsy, for which Defendant claims to have been treating Patient C. Defendant also claimed to treat Patient C with Lortab (hydrocodone C-III) for migraine headaches. Patient C's medical chart does not contain documentation to support the number of prescriptions written or authorized. Defendant prescribed the following to Patient C:

| Date | Patient C | Drug | QTY | RX # | Schedule |
|----------|-----------|-------------------|-----|---------|----------|
| 1/13/97 | Patient C | Lortab 7.5MG | 75 | 4421547 | III |

| 2/23/97 | Patient C | Lortab 7.5MG | 75 | 4421884 | III |
| 3/10/97 | Patient C | Lortab 7.5MG | 75 | 4421884 | III |

Patient D did, in fact, die September 18, 1998 outside the State of Oklahoma.
