v.)
TERRENCE E. MURPHY, M.D.) CASE NO. 88-7-624
SMD Certificate No. 1137,)
Defendant.)

VOLUNTARY SUBMITTAL TO JURISDICTION

COMES NOW the Defendant, TERRENCE E. MURPHY, M.D., the undersigned, and states that on this 24 day of October, 1988, he is of sound mind and not under the influence of any medication or drug or impaired therefrom, and said Defendant does further recognize his right to legal counsel and has reviewed this document with counsel, Robert Murphy, Stillwater, Oklahoma, and being advised of his right to appear before the Oklahoma State Board of Medical Licensure and Supervision en banc for evidentiary hearing concerning his pending application, does of his own volition and decision waive and forego his right to appear before the Board for full hearing, and does hereby voluntarily and of his own volition consent to the jurisdiction of the Oklahoma State Board of Medical Licensure and Supervision insofar as it entails the activities and restrictions described in the following numbered paragraphs. Neither the execution of this document nor the submittal to the Board's continuing jurisdiction is to be construed as an admission by Dr. Murphy of any allegations made against him by licensing authorities in any other State, all material allegations of which are expressly denied.

1. That Defendant accepts and agrees to and does hereby begin a term of probation to the Oklahoma State Board of Medical Licensure and Supervision to continue for a period of five (5) years, unless earlier modified by the Board, on its own motion or

on the motion of the Defendant, under the following terms and conditions:

(a) That during the period of probation Defendant will not prescribe, administer or dispense any medications for his personal use, to specifically include controlled dangerous substances.

(b) That during the period of probation Defendant will take no medication except that which is authorized by a physician treating him for a legitimate medical need and Defendant shall have an affirmative duty to inform any physician treating him of allegations made concerning Defendant's previous use of controlled dangerous substances.

(c) That during the period of probation Defendant will abstain from consuming alcohol or any substance, specifically including but not limited to controlled dangerous substances, which would adversely affect his ability to practice medicine or surgery as interpreted by the Oklahoma State Board of Medical Licensure and Supervision.

(d) That during the period of probation Defendant will submit biological fluid specimens to include, but not limited to, blood and urine, for analysis, upon request of any Investigator or other agent representing the Oklahoma State Board of Medical Licensure and Supervision, and Defendant will pay for testing and analysis of those specimens.

(e) During the period of probation Defendant will continue under psychiatric care and shall authorize said treating physician to report to the Board quarterly on the Defendant's progress, and Defendant shall continue all supportive programs and therapy recommended thereby.

(f) Defendant shall advise the Investigation Division of the Oklahoma Board of Medical Licensure and Supervision of all physicians who have treated him within the last five (5) years, including their address and telephone number and a summary of the treated illness, and Defendant shall sign a release allowing Investigators of the State Board to obtain and review those records kept by those physicians relating to that care and treatment.

(g) During the period of probation Defendant will not prescribe, administer or dispense any Schedule drugs or controlled dangerous substances, until authorized by the Board.

(h) In the event the Board authorizes Defendant to prescribe, administer or dispense any Schedule drugs or controlled dangerous substances, then Defendant may prescribe controlled dangerous substances only on serially-numbered, duplicate prescription pads and shall make the copies available to Investigators of the Oklahoma

State Board of Medical Licensure and Supervision at their request, to include all dispensing records on controlled dangerous substances other than sample medication.

(i) Defendant will immediately surrender his registration for State and Federal controlled dangerous substances to the proper authorities and will not apply for State and Federal registration for controlled dangerous substances until the terms of his probation have expired or are specifically modified by the Oklahoma State Board of Medical Licensure and Supervision.

(j) During the period of probation Defendant will furnish to the office of the Oklahoma State Board of Medical Licensure and Supervision all current legal addresses and any change of address in writing.

(k) Defendant shall appear before the Board or a designated member thereof whenever requested to do so.

(l) During the period of probation Defendant will submit to the Investigation Division of the Oklahoma State Board of Medical Licensure and Supervision any required reports and forms on a timely and prompt basis.

(m) Pursuant to section 26, H.B. 1478, 1987 Legislature, Defendant shall promptly pay upon receipt of invoice from the Investigative Division of the Board the costs of investigation, prosecution and probation of this case.

(n) That violation of any of the terms and conditions of probation shall be grounds for additional charges to be presented to the Board after notice to the Defendant.

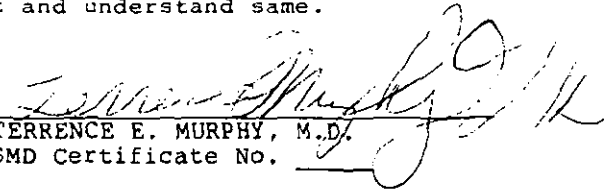

2. That the jurisdiction of the Board in this individual proceeding will continue in this matter until the terms and conditions of probation are modified or lifted by the Oklahoma State Board of Medical Licensure and Supervision on their own motion, or on the motion of the Defendant.

3. The Defendant further agrees that failure to meet any of the above terms of probation may constitute cause for the Board to initiate additional proceedings to suspend or revoke Defendant's Supervised Medical Doctor Certificate, or Oklahoma Medical License, after additional due notice and hearing.

4. The Defendant further agrees that in the event Investigators of the Oklahoma State Board of Medical Licensure and Supervision discover any other facts relating to his professional activities as reported by any other jurisdiction, or that occur in the State of Oklahoma, then the Board staff retains

the right to present those matters to the Board for their consideration, after additional and specific notice to the Defendant and hearing thereon.

I have read this instrument and understand same.
