Re: Tolling of Oklahoma Probation
License# 15420
Case# 91-10-1243

Dear Dr. Parkison:

In May, 1991, the Oklahoma Board of Medical Licensure and Supervision voted in open session to toll the probation period of any physician on probation who lives outside of Oklahoma. You are in this category. The Board's vote means that your period of probation now in force and effect will be tolled, stayed or held in abeyance until you return to Oklahoma to live or to practice medicine.

Therefore, upon your return to Oklahoma to live or practice medicine, you have an affirmative duty to contact the Board office and make appropriate arrangements.

The Board's action does not change any of the terms and conditions of your probation.

If you have any questions, please contact the Investigation Division, Oklahoma Board of Medical Licensure and Supervision, 405-848-6841.

Sincerely,

A handwritten signature in cursive script that reads "Michael D. Kiser".
