

IN AND BEFORE THE OKLAHOMA STATE BOARD OF
MEDICAL LICENSURE AND SUPERVISION

STATE OF OKLAHOMA

STATE OF OKLAHOMA, ex rel,
OKLAHOMA STATE BOARD OF
MEDICAL LICENSURE AND
SUPERVISION,

Plaintiff,

LAWRENCE HENRY TROMBKA, M.D. CASE NO. 91-08-1208
Medical License No. 16300,

Defendant.

ORDER MODIFYING SUSPENSION

This cause came on for hearing before the Oklahoma Board of Medical Licensure and Supervision on February 28, 1992, at the office of the Oklahoma State Board of Medical Licensure and Supervision, 5104 N. Francis, Suite C, Oklahoma City, Oklahoma, pursuant to notice given as required by law and the rules of the Board.

Daniel J. Gamino, Attorney, appeared for the Plaintiff; and Lawrence Henry Trombka, M.D., Defendant, appeared in person, pro se, waived his right to counsel and agreed to proceed without counsel.

The Board of Medical Licensure and Supervision en banc took sworn testimony, reviewed exhibits and being fully advised in the premises, the Oklahoma Board of Medical Licensure and Supervision finds as follows:

FINDINGS OF FACT

1. That Defendant, Lawrence Henry Trombka, M.D., formerly held Oklahoma Medical License No. 16300.
2. That the Oklahoma Board of Medical Licensure and Supervision en banc has jurisdiction over the subject matter herein and that notice has been given in all respects as required by law and the rules of the Board.
3. That following notice and hearing on November 1, 1991, Defendant's Oklahoma Medical License No. 16300 was suspended for the period of time six (6) months effective November 4, 1991, and that said suspension was to be followed by a probation to the Oklahoma State Board of Medical Licensure and Supervision for a period of five (5) years under certain enumerated terms and conditions.
4. That Defendant in serving the aforesaid suspension is not able to practice medicine or surgery in Oklahoma. There is a need for the Defendant to render medical care in the Behavior Health Unit of the Muskogee Regional Medical Center, Muskogee, Oklahoma, and that the Defendant can render such care for the remainder of his probation period, up to and including May 4, 1992, without receiving any remuneration or payment therefor. However, allowing the Defendant to practice and reinstating his license for that limited purpose will allow the institution to receive reimbursement for his services.
5. That such an arrangement would still fulfill the purpose of the original suspension and may be done without any threat to public health, safety or welfare.

CONCLUSIONS OF LAW

1. That the Board has continuing jurisdiction over the Defendant pursuant to the Oklahoma Medical Practice Act, 59 O.S. Supp. 1990, Sec. 481 et seq.

ORDER

IT IS THEREFORE ORDERED by the Oklahoma Board of Medical Licensure and Supervision as follows:

1. That the Defendant, Lawrence Henry Trombka, M.D., is reinstated to Oklahoma Medical License No. 16300, and his previous suspension is modified to allow the Defendant to practice medicine without remuneration at the Behavior Health Unit, Muskogee Regional Medical Center. In all other respects, the suspension remains in full force and effect and prohibits the Defendant from any other practice of medicine and surgery in the State of Oklahoma until May 3, 1992.

2. That following completion of the six (6) month suspension, as modified by the Board on May 3, 1992, Defendant, Lawrence Henry Trombka, M.D., holding Oklahoma Medical License No. 16300, should be and is hereby placed on a term of probation to the Oklahoma State Board of Medical Licensure and Supervision for a period of five (5) years beginning May 4, 1992, under the following terms and conditions:

- (a) That the Defendant provide proof of performance of at least 100 hours of unpaid community service every three months.
- (b) During the period of probation Defendant shall notify any hospital where he holds staff privileges, or clinic, or group where he practices, of the terms and conditions of this Board Order and supply a copy thereof.
- (c) During the period of probation Defendant will furnish to the office of the Oklahoma State Board of Medical Licensure and Supervision all current legal addresses and any change of address in writing.
- (d) That Defendant shall appear before the Board or a designated member thereof whenever requested to do so.
- (e) During the period of probation Defendant will submit to the Investigation Division of the Oklahoma State Board of Medical Licensure and Supervision any required reports and forms on a timely and prompt basis.
- (f) Pursuant to Title 59 O.S. Sec. 506, Defendant shall promptly pay within 30 days of receipt of invoice from the Board the costs of investigation, prosecution and probation of this case, unless the Defendant affirmatively obtains a deferment of all or part of said fees upon presentation of evidence that is acceptable to the Board Secretary.
- (g) That violation of any of the terms and conditions of probation shall be grounds for additional charges to be presented to the Board after notice to the Defendant.

3. That the jurisdiction of the Board in this individual proceeding will continue until the terms and conditions of probation are modified or lifted by the Oklahoma Board of Medical

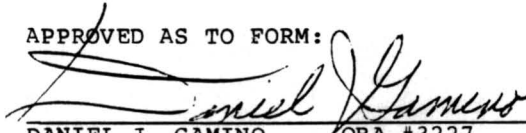

Licensure and Supervision on their own motion or on the motion of the Defendant.

4. That failure to meet any of the above terms of probation will constitute cause for the Board to initiate additional proceedings to suspend or revoke Defendant's Oklahoma Medical License, after additional due notice and hearing.

DATED this 5 day of March, 1992.

State Board of Medical Licensure
and Supervision
