ORDER TERMINATING PROBATION

This cause came on for hearing before the Oklahoma Board of Medical Licensure and Supervision on September 21, 1989, at the Oklahoma Department of Agriculture Building, 2800 N. Lincoln Blvd., Oklahoma City, Oklahoma, pursuant to notice given as required by law and the rules of the Board.

Daniel J. Gamino, Attorney, appeared for the Plaintiff; and Janice L. Chleborad, M.D., Defendant, appeared in person, without counsel, and advised that she was ready to proceed without an attorney.

The Board of Medical Licensure and Supervision en banc heard testimony, reviewed exhibits, and being fully advised in the premises, the Board of Medical Licensure and Supervision therefore finds as follows:

FINDINGS OF FACT

1. That Defendant, Janice L. Chleborad, M.D., holds Oklahoma Medical License No. 16446.
2. That the Board of Medical Licensure and Supervision en banc has jurisdiction over the subject matter herein and that notice has been given in all respects as required by law and the rules of the Board.
3. That following notice and hearing on or around May 18, 1988, Defendant executed a Voluntary Submittal to Jurisdiction and agreed to a period of probation under the authority of the Oklahoma State Board of Medical Licensure and Supervision for a period of five (5) years under certain enumerated terms and conditions. That on or around September 15, 1988, the Defendant applied for modification of terms and conditions to dispense with the requirement for psychological counseling because it was hard to obtain in the Woodward, Oklahoma, area, and her request was granted and the original five-year probation term beginning on May 18, 1988, was kept at five years under modified terms and conditions.
4. That the Defendant has fulfilled the terms and conditions of probation since that date, and the Defendant now requests that the period of probation be terminated.
5. That the Board finds that the Defendant has been cooperative with the staff on probation matters, and that the Defendant has made significant progress and that the probation terms and conditions may be terminated and still serve public health, safety and welfare in the State of Oklahoma.

CONCLUSIONS OF LAW

1. That the Board retains continuing jurisdiction over the Defendant and the Board may terminate a probation previously given under its authority and jurisdiction based on 59 O.S. Supp. 1988, Sec. 481 et seq.

ORDER

IT IS THEREFORE ORDERED by the Oklahoma Board of Medical Licensure and Supervision as follows:

1. That the Defendant, Janice L. Chleborad, M.D., Oklahoma Medical License No. 16446, should be and it is determined that she has fulfilled the terms and conditions of probation and that the probation previously imposed on the Defendant's medical license should be and the same is hereby terminated, vacated, set aside and held for naught.

2. That the staff should provide Defendant with a written copy of this Order and also place a copy of this Order in the Defendant's licensure file on the public record.

DATED this 28 day of September, 1989.
