CASE NO. 90-08-1101

VOLUNTARY SUBMITTAL TO JURISDICTION

COMES NOW the Defendant, Douglas Hugh Cornelius, S.M.D., the undersigned, and states that on this 17<sup>th</sup> day of August 1990, he is of sound mind and not under the influence of any medication or drug or impaired therefrom; and said Defendant does further recognize his right to legal counsel and has waived same, and being further advised of his right to appear before the Oklahoma Board of Medical Licensure and Supervision en banc for evidentiary hearing on the issue of previous alcohol abuse, does of his own volition and decision waive and forego his right to appear before the Oklahoma Board for full hearing as authorized by law, and inasmuch as Defendant believes that should he contest the allegations set forth above there is adequate evidence for some disciplinary action to be taken against him and for that reason Defendant chooses not to contest the aforesaid allegations and does hereby voluntarily and of his own volition submit to the jurisdiction of the Oklahoma State Board of Medical Licensure and Supervision insofar as it entails the following activities and restrictions:

1. That Defendant accepts and agrees to and does hereby begin a term of probation to the Oklahoma State Board of Medical Licensure and Supervision to continue for a period of five (5) years, unless earlier modified by the Board, on its own motion or on the motion of the Defendant, under the following terms and conditions:

That during the period of probation Defendant will take no medication except that which is authorized by a physician treating him for a legitimate medical need. Defendant has an affirmative duty to advise any physician treating him of Defendant's previous alcohol abuse.

During the period of probation Defendant will abstain from consuming alcohol or any substance, licit or illicit, specifically including but not limited to controlled dangerous substances, which would adversely affect his ability to practice medicine or surgery as interpreted by the Oklahoma State Board of Medical Licensure and Supervision.

During the period of probation Defendant will submit biological fluid specimens to include, but not limited to, blood and urine, for analysis, upon request of any investigator or other agent representing the Oklahoma State Board of Medical Licensure and Supervision, and Defendant will pay for testing and analysis of those specimens.

During the period of probation Defendant will continue regular attendance and participation in either Alcoholics Anonymous or meetings of the OSMA Physician Recovery Committee or similar organizations and said Defendant shall report periodically when requested by the Board or Board representative on his proof of attendance and shall continue all supportive programs recommended thereby.

During the period of probation Defendant will furnish to the office of the Oklahoma State Board of Medical Licensure and Supervision all current legal addresses and any change of address in writing.

Defendant shall appear before the Board en banc or a designated member thereof whenever requested to do so.

During the period of probation Defendant will submit to the Investigative Division of the Oklahoma State Board of Medical Licensure and Supervision any required reports and forms on a timely and prompt basis.

Pursuant to Section 26, H.B. 1478, 1987 Legislature, Defendant shall promptly pay upon receipt of invoice from the Investigation Division of the Board the cost of investigation, prosecution and probation of this case.

- (i) During the period of probation Defendant shall notify any hospital where he holds staff privileges, or clinic, or group where he practices, of the terms and conditions of this Voluntary Submittal to Jurisdiction and supply a copy thereof.

That violation of any of the terms and conditions of probation shall be grounds for additional charges to be presented to the Board after due notice to the Defendant.

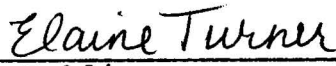

2. That the jurisdiction of the Board in this individual proceeding will continue in this matter until the terms conditions of probation are modified or withdrawn by the Oklahoma State Board of Medical Licensure and Supervision, either on their own motion or on the motion of the Defendant.

3. The Defendant further agrees that failure to meet any of the above terms of probation will constitute cause for the staff of the Board to initiate additional proceedings to suspend or revoke Defendant's Oklahoma medical license, and/or S.M.D. license, after additional due notice and hearing.

I have read this instrument and understand same.
