Plaintiff,

MARTHA ANNE MCKNIGHT, S.M.D. CASE NO.

Defendant.

VOLUNTARY SUBMITTAL TO JURISDICTION

COMES NOW the Defendant, MARTHA ANNE MCKNIGHT, S.M.D., the undersigned, and states that on this 12th day of July, 1991, she is of sound mind and not under the influence of any medication or drug or impaired therefrom; that said Defendant does fully recognize her right to legal counsel and being advised of that right chooses to waive representation by legal counsel; and being further advised of her right to appear before the Oklahoma Board of Medical Licensure and Supervision en banc for evidentiary hearing on the the voluntary surrender and relinquishment to the Board of Medical Examiners of the State of North Carolina of her medical license and the action of the North Carolina Board in entering a consent order that allowed Defendant to practice medicine on a temporary basis at Dorothea Dix Hospital while in compliance with the North Carolina Physician Health and Effectiveness Program, does of her own volition and decision waive and forego her right to appear before the Oklahoma Board for full hearing as authorized by 59 O.S. Supp. 1990, Secs. 504-507, inasmuch as Defendant believes that should she contest the allegations arising from North Carolina, there is adequate evidence for disciplinary action to be taken against her in Oklahoma and for that reason Defendant chooses not to contest the allegations arising from North Carolina and does hereby voluntarily and of her own volition submit to the jurisdiction of

the Oklahoma State Board of Medical Licensure and Supervision insofar as it entails the following activities and restrictions:

1. That Defendant accepts and agrees to and does hereby begin a term of probation to the Oklahoma State Board of Medical Licensure and Supervision to begin on this date and to continue for a period of five (5) years under the following terms and conditions:

During the period of probation Defendant will not prescribe, administer or dispense any medications for her personal use, to specifically include controlled dangerous substances.

- (b) During the period of probation Defendant will take no medication except that which is authorized by a physician treating her for a legitimate medical need and Defendant shall have an affirmative duty to inform any physician treating her of Defendant's previous use of alcohol, benzodiazepines, and previous depression.
- (c) During the period of probation Defendant will abstain from consuming alcohol or any substance, specifically including but not limited to controlled dangerous substances, which would adversely affect her ability to practice medicine or surgery as interpreted by the Oklahoma State Board of Medical Licensure and Supervision.
- (d) During the period of probation Defendant will submit biological fluid specimens to include, but not limited to, blood and urine, for analysis, upon request of any investigator or other agent representing the Oklahoma State Board of Medical Licensure and Supervision, and Defendant will pay for testing and analysis of those specimens.
- (e) During the period of probation Defendant will maintain continued contact with the Physician Recovery Committee sponsored by the Oklahoma State Medical Association and participate therein.
- (f) During the period of probation Defendant will furnish to the office of the Oklahoma State Board of Medical Licensure and Supervision all current legal addresses and any change of address in writing.
- (g) That Defendant shall appear before the Board or a designated member thereof whenever requested to do so.
- (h) During the period of probation Defendant will submit to the Investigation Division of the Oklahoma State Board of Medical Licensure and Supervision any required reports and forms on a timely and prompt basis.
- (i) Pursuant to Section 26, H.B. 1478, 1987 Legislature, Defendant shall promptly pay within 30 days of receipt of invoice from the

Investigation Division of the Board the costs of investigation, prosecution and probation of this case, unless the Defendant affirmatively obtains a deferment of all or part of said fees upon presentation of evidence that is acceptable to the Board Secretary.

- (j) During the period of probation Defendant shall notify any hospital where she holds staff privileges, or clinic, or group where she practices, of the terms and conditions of this Voluntary Submittal to Jurisdiction and any subsequent Board order and supply a copy thereof.
- (k) That during the time of probation Defendant may not function as a supervising physician for any physician's assistant.
- (l) That violation of any of the terms and conditions of probation shall be grounds for additional charges to be presented to the Board after notice to the Defendant.

2. That the jurisdiction of the Board in this individual proceeding will continue until the terms and conditions of probation are modified or lifted by the Oklahoma Board of Medical Licensure and Supervision on their own motion or on the motion of the Defendant.

3. The Defendant further agrees that failure to meet any of the above terms of probation will constitute cause for the Board to initiate additional proceedings to suspend or revoke Defendant's Oklahoma SMD Certificate, after additional due notice and hearing.
