CASE NUMBER 94-12-1664

Defendant)

EMERGENCY ORDER

NOW ON THIS 14th day of February, 1996; this cause comes on before GERALD C. ZUMWALT, M.D., Secretary, Oklahoma State Board of Medical Licensure and Supervision, upon the verified complaint of Tom Sosbee, Compliance and Education Coordinator for the Oklahoma State Board of Medical Licensure and Supervision.

The Board was represented by C. Merle Gile and the defendant was represented not, although service was attempted at various times at the defendant's office and residence.

Upon reviewing the complaint and the testimony of Mr. Sosbee, it is found that the defendant has been on probation since December, 1994, as a result of cocaine abuse. The court finds that as a result of a urine test given defendant on January 29, 1996, said defendant tested positive for cocaine. The Secretary, after concurrence with John Alexander, M.D., President, finds that an emergency exists for which the immediate suspension of Doctor Wajsbort's license to practice medicine is imperative for protection of the public health, safety, and welfare, and that his license should be temporarily suspended under the jurisdiction of this Board and 59 O.S. 1991 §503.1 and 75 O.S. 1991 §314.

It is therefore ordered, adjudged and decreed that Doctor Richard Rani Wajsbort, M.D., License Number 19240 be and the same is hereby temporarily suspended until the matter may be heard before the next regular scheduled meeting in March of 1996.

Dated this 14 day of Feb, 1996.
