**ORDER OF CONTINUANCE**

The undersigned Secretary for the Oklahoma State Board of Medical Licensure and Supervision, in consideration of the Defendant's request for a continuance, enters the following findings of fact, conclusions of law and orders:

1. Defendant's hearing on the Complaint and Citation pending in this case was initially set for July 12, 2012, was continued to September 13, 2012 in order for the Defendant to complete an assessment. The hearing was further continued to November 8, 2012 and then to January 10, 2013, due to the Defendant being in treatment and then continued again to March 7, 2013 due to the Defendant looking for employment within the treatment facility discharge guidelines.
2. Defendant met with Board staff on December 21, 2012 and advised staff he was pursuing employment doing only chart review and coding issues with no patient care, no patient contact, no prescribing of any medication, and no medical decision making on any patient. Further, Defendant advised he will continue under the current Agreement Not to Practice.

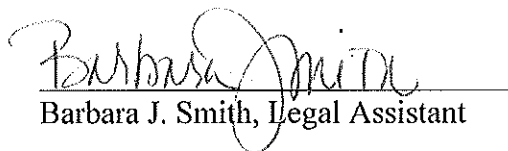

3. Defendant requests a continuance to May 16, 2013 due to him currently being out of state in mandatory, full-time training on the above-mentioned chart review and coding employment position.
4. Board staff has no objection to said continuance.
5. For good cause shown, Defendant's request for a continuance is hereby granted and Defendant's hearing is rescheduled before the Oklahoma State Board of Medical Licensure and Supervision en banc at its next regularly scheduled meeting on May 16, 2013.

Entered this 1 day of March, 2013.

  
Gerald C. Zumwalt, M.D., Secretary  
Oklahoma State Board of Medical
