Dear Ms. Waters:

Your term of probation ended September 26 2001, with no further actions pending or contemplated. You may now report your license as being unmodified and unrestricted. Enclosed you will find a new wallet card that reflects this most recent change. Please return the one you have been carrying.

I enjoyed getting to know you, and please accept our congratulations on this very positive step, and our best wishes for a successful and productive career.

Sincerely,

Tom Sosbee  
Compliance and Education Coordinator
