**AGREED ORDER OF REINSTATEMENT**  
**UNDER TERMS OF PROBATION**

Plaintiff, the State of Oklahoma, ex rel. the Oklahoma State Board of Medical Licensure and Supervision (the "Board"), by and through its attorney, Susan Moebius Henderson, Assistant Attorney General for the State of Oklahoma and the staff of the Board, as represented by the Secretary of the Board, Gerald C. Zumwalt, M.D., and the Executive Director of the Board, Lyle Kelsey, and the Defendant, William E. Wood, Jr., P.T. License No. 2341, who appears in person, without an attorney, proffer this agreed order for acceptance by the Board *en banc* at its meeting on July 23, 1998.

Defendant, William E. Wood, Jr., P.T., states that he is of sound mind and is not under the influence of, or impaired by, any medication or drug and that he fully recognizes, and waives, his right to appear before the Board for a full evidentiary hearing. Defendant further submits to the jurisdiction of the Board and agrees to abide by the terms and conditions of this Order. Defendant acknowledges that he is entitled to have his interests represented by legal counsel and that he has elected to proceed without legal representation, thereby waiving his right to an attorney. Defendant acknowledges that he has read and understands the terms and conditions stated herein.

**Parties' Agreement and Stipulations**

Plaintiff, Defendant and the Board staff stipulate and agree as follows:

### *Findings of Fact*

1. The Board is a duly authorized agency of the State of Oklahoma empowered to license and oversee the activities of physical therapists in the State of Oklahoma pursuant to 59 Okla. Stat. §887.1 *et seq.*

2. Defendant, William E. Wood, Jr. P.T., is a physical therapist in the State of Oklahoma, holding suspended license no. PT2341

3. On May 29, 1998, the Board *en banc*, after reviewing the pleadings and other evidence, including personal testimony from Defendant, suspended Defendant's license to practice as a physical therapist in the State of Oklahoma based on Defendant filing a false application with the Board and also for questions and concerns about Defendant's possible addiction to alcohol and other substances. The suspension is to continue until Defendant can present sufficient evidence to enable the Board to determine whether reinstatement is in the best interest of the public or Defendant's profession, and if reinstatement is proper, to establish the terms and conditions of such reinstatement. A Final Order of Suspension memorializing the Board's May 29, 1998 decision was entered and filed June 8, 1998 and is incorporated herein by reference.

4. During his period of suspension, Defendant has sought evaluation and treatment for impairment and has been diagnosed as an alcoholic who is in early stages of remission. Defendant has established a treatment plan with the St. Anthony Recovery and Treatment program ("START") and is in compliance with its terms.

5. Defendant now seeks reinstatement of his license by the Board.

### *Conclusions of Law*

1. The Board has jurisdiction and authority over the Defendant and subject matter herein pursuant to the Physical Therapy Practice Act (the "Act") and its applicable regulations. The Board is authorized to enforce the Act as necessary to protect the public health, safety and welfare.

2. By reason of the above facts, reinstatement of Defendant's license to practice physical therapy under terms of probation is in the best interest of the public and Defendant's profession.
