ORDER OF CONTINUANCE

The undersigned Secretary for the Oklahoma State Board of Medical Licensure and Supervision, in consideration of the Defendant's request for a continuance, enters the following findings of fact, conclusions of law and orders:

1. Defendant's hearing on the Complaint and Citation was initially set for May 16, 2013 and was subsequently continued to July 25, 2013 and September 11, 2013 in order for Defendant to complete a skills and competency evaluation at KSTAR.
2. Defendant has completed the above-mentioned skills and competency evaluation and the report has been made available to all counsel. In March of 2014 Defendant respectfully requested a continuance until the May 2014 board meeting to allow time to apply to medical education programs in order to reestablish her professional competency. In May of 2014, Defendant requested a continuance until June of 2014 to allow her more time to apply to medical education programs in order to reestablish her professional competency.
3. Defendant is in the process of securing a Fellowship program out of state and is working with Board staff to determine if it will meet the KSTAR recommendations. The Defendant respectfully requests a continuance to the Board

hearing scheduled on July 17, 2014 to allow her more time to work out the details with the Board staff regarding whether or not to proceed with the medical education program in order to reestablish her professional competency.

4. Defendant has an Agreement not to Practice with the Board and, therefore, Board staff has no objection to this continuance.
5. For good cause shown, Defendant's request for continuance is hereby granted and Defendant will make an appearance before the Board at its meeting scheduled for **July 17, 2014.**

Entered this 5 day of June, 2014.
