Dear Secretary Stout:

This office has received your request for a written Attorney General Opinion regarding action that the Oklahoma State Board of Medical Licensure and Supervision ("Board") intends to take in case 21-05-6011. The licensee's Respiratory Care Practitioner License was immediately suspended after the licensee defaulted from the Allied Professional Peer Assistance ("APPA") Program, as is required by 59 O.S.Supp.2020, § 518.1(J). The order of suspension set a hearing for September 15, 2021. At the hearing, the licensee did not appear, and the Board proposed to ratify the suspension.

While this office generally reviews disciplinary action by Qualifying Boards that results in the suspension or revocation of a license, Executive Order 2019-17 excuses from this review actions that amount to the "non-discretionary task of implementing a mandatory statute." Because this suspension was mandated by 59 O.S.Supp.2020, § 518.1(J), review by this office is unnecessary.

If you have any questions or concerns, please do not hesitate to contact me.
