Dear Doctor Buster:

Thank you for appearing before the Board in regular meeting on November 2, 1974.

The Board wishes to convey their sympathy to you for the serious problem that you have, however, they must affirm that the Statutes be followed in regard to controlled drugs. They also would like to remind you that you should not prescribe any narcotics for your own wife. This is hazardous for her, for you, and could put you in great jeopardy.

It should also be emphasized that you must keep proper records of all/controlled substances.

Sincerely
