Dear Doctor Blevins:

As of December 7, 1967, your probationary period will be at an end and you will be eligible to apply for a narcotic permit. Should you feel it desirable and needful to have such a permit, we suggest that you study the laws relative to the handling of these drugs very carefully so that you will not again become suspect. We are enclosing a copy of the Medical Laws of Oklahoma for 1966 and call your particular attention to the Uniform Narcotic Drug Act which will be found beginning on Page 37. We are also enclosing a pamphlet issued by the Treasury Department, Bureau of Narcotics, in Washington, D.C., which we believe will be helpful, also.

If you feel you need a narcotic permit, you should contact the Director of Internal Revenue for forms.

If you have any questions or we may assist you at any time, please let us know.

Very truly yours

(MRS.) L. HAIDEK
