Dear Doctor Thiessen:

The Board in regular session on June 10, 1970, took the following action:

" *** motion was duly made, seconded, and carried, that he be placed on probation for a period of five (5) years with the provisions that he comply with the provisions of the Medical Practice Act and the Federal and State Drug Laws and other drug laws during the period of probation, and that he appear before the Board twice a year, unless excused by the Secretary of the Board; further, that he continue to see his psychiatrist regularly, sending periodic reports to the Board of his progress. Failure to comply with the provisions of the probation will result in the automatic revocation of his license to practice medicine and surgery in the State of Oklahoma".

Very truly yours,
