SUPERVISION,

Plaintiff,

v

CHARLES CALEB ELLIOTT, M.D.
Medical License No. 7914,

CASE NO. 89-11-989

Defendant.

ORDER TERMINATING SUSPENSION
AND IMPOSING PROBATION

This cause came on for hearing before the Oklahoma Board of Medical Licensure and Supervision on November 1, 1991, at the office of the Oklahoma State Board of Medical Licensure and Supervision, 5104 N. Francis, Suite C, Oklahoma City, Oklahoma, pursuant to notice given as required by law and the rules of the Board.

Daniel J. Gamino, Attorney, appeared for the Plaintiff; and Charles Caleb Elliott, M.D., Defendant, appeared in person and by counsel, Robert K. McCune, of Stipe, Gossett, Stipe, Harper, Estes, McCune & Parks, P.O. Box 53567, Oklahoma City, Ok 73152.

The Board of Medical Licensure and Supervision en banc heard testimony, reviewed exhibits and being fully advised in the premises, the Oklahoma Board of Medical Licensure and Supervision finds as follows:

FINDINGS OF FACT

1. That Defendant, Charles Caleb Elliott, M.D., formerly held Oklahoma Medical License No. 7914 until said license was suspended following notice and hearing on June 21, 1991.
2. That the Oklahoma Board of Medical Licensure and Supervision en banc has jurisdiction over the subject matter herein and that notice has been given in all respects as required by law and the rules of the Board.
3. That following notice and hearing on June 21, 1991, the Board suspended Defendant from the practice of medicine and surgery in Oklahoma for a period of two years beginning on June 21, 1991, or until such time as the Defendant could present to the Board psychiatric testimony that his physical and mental condition do not present a threat to the public. The Board order further provided that at the time of termination of suspension of the Defendant's Oklahoma license as a physician and surgeon, the Board might impose probation under such terms and conditions as the Board finds will protect public health, safety and welfare.
4. That since the previous hearing of June 21, 1991, Defendant did visit psychiatrists Joseph B. Ruffin, M.D., and Robert M. Wienecke, M.D., and both psychiatrists provided written reports to the Board that were admitted into evidence and made part of the record.
5. That evidence indicated to the Board the suspension of Defendant's Oklahoma medical license may be terminated and the

Board may impose a probation under such terms and conditions as the Board finds will protect public health, safety and welfare.

CONCLUSIONS OF LAW

1. That the Board has jurisdiction of this matter pursuant to the Oklahoma Medical Practice Act, 59 O.S. Supp. 1990, Sec. 481 et seq., and by its previous action herein at the Board meeting of June 21, 1991.

- (j) During the period of probation Defendant will submit to the Investigation Division of the Oklahoma State Board of Medical Licensure and Supervision any required reports and forms on a timely and prompt basis.
- (k) Pursuant to Section 26, H.B. 1478, 1987 Legislature, Defendant shall promptly pay within 30 days of receipt of invoice from the Investigation Division of the Board the costs of investigation, prosecution and probation of this case, unless the Defendant affirmatively obtains a deferment of all or part of said fees upon presentation of evidence that is acceptable to the Board Secretary.

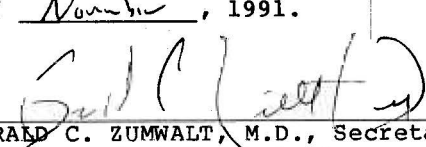

During the period of probation the Defendant shall not supervise a Physician Assistant.

- (m) During the period of probation Defendant shall notify any hospital where he holds staff privileges, or clinic, or group where he practices, of the terms and conditions of this Board Order and supply a copy thereof.
- (n) That violation of any of the terms and conditions of probation shall be grounds for additional charges to be presented to the Board after notice to the Defendant.

3. That the jurisdiction of the Board in this individual proceeding will continue until the terms and conditions of probation are modified or lifted by the Oklahoma Board of Medical Licensure and Supervision on their own motion or on the motion of the Defendant.

4. That failure to meet any of the above terms of probation will constitute cause for the Board to initiate additional proceedings to suspend or revoke Defendant's Oklahoma Medical License, after additional due notice and hearing.
