MEDICAL LICENSURE & SUPERVISION

CASE NO. 88-3-584

FINAL ORDER

This cause came on for hearing before the Oklahoma Board of Medical Licensure and Supervision en banc on the 14th day of May, 1988, at the office of the Oklahoma State Medical Association, 601 NW Expressway, Oklahoma City, Oklahoma, pursuant to notice given as required by law and the rules of the Board.

Daniel J. Gamino, Attorney, appeared for the Plaintiff, and Louis F. Glatch, M.D., Defendant, did not appear either in person or by representative.

The Board of Medical Licensure and Supervision en banc heard testimony and reviewed exhibits and being fully advised in the premises, the Board of Medical Licensure and Supervision therefore finds as follows:

FINDINGS OF FACT

1. That Defendant, Louis F. Glatch, M.D., holds Oklahoma Medical License No. 7985.

2. That the Board of Medical Licensure and Supervision en banc has jurisdiction over the subject matter herein and that notice has been given in all respects as required by law and the rules of the Board.

3. That on or around April 9, 1986, and on or around June 26, 1987, the Defendant did prepare and file with the State Board of Medical Licensure and Supervision an Application for Renewal of Oklahoma Medical License and that on each of the applications Defendant affirmatively indicated he had never been the subject of disciplinary action by any governmental or licensing authority, federal, state or local.

4. That on or around April 2, 1982, the Board of Medical Quality Assurance, Division of Medical Quality for the State of California, in Case No. D-2494 against the Defendant Louis F. Glatch, M.D., did adopt and approve a Stipulation for Settlement wherein the Defendant did admit that cause for discipline existed against him for the reason of submitting billings to Medi-Cal for 50 minute sessions with knowledge that the face-to-face meetings with the patients were 30 minutes or more and based on that Stipulation for Settlement the California Board of Medical Quality Assurance issued an Order revoking the medical license of the Defendant and then stayed the revocation and placed the Defendant on probation for a period of five years under 11 different specific terms and conditions. That a true and correct copy of the Stipulation for Settlement is attached hereto and marked Exhibit A.

5. That on or around December 16, 1986, the Florida Board of Medicine, Department of Professional Regulation in DPR Case

No. 0058977 against the Defendant Louis F. Glatch, M.D., did issue a Final Order of the Board of Medicine wherein the Defendant did not dispute the allegations of fact in an Administrative Complaint and the Florida Board ruled that Defendant's license to practice medicine in Florida should be suspended indefinitely until such time as Defendant demonstrates to the Board that he is competent to practice medicine and under the further provision that if the Defendant's license was reinstated in the State of Florida, it should be placed on probation subject to terms and conditions set at that time including, but not limited to, limitations on his rights to prescribe, dispense and administer Schedule II controlled substances. Copies of the Administrative Complaint, Election of Rights, and Final Order of the Board of Medicine are attached hereto as Exhibits B, C, and D.

6. That the Defendant failed to disclose the above action taken against him in the States of California and Florida when such information was directly requested on the Application for Renewal of Oklahoma Medical License.

CONCLUSIONS OF LAW

1. That Louis F. Glatch, M.D., holding Oklahoma Medical License No. 7985, is in violation of the Oklahoma Medical Practice Act, 59 O.S. Supp. 1987, Section 508, to-wit:

✓ "Whenever any license or certificate has been procured or obtained by fraud or misrepresentation or was issued by mistake...it shall be the duty of the State Board of Medical Licensure and Supervision to revoke such license or certificate in the same manner as is provided by this Act for the revocation of license or certificate for unprofessional conduct." 59 O.S. Supp. 1987, Section 508.

ORDER

IT IS THEREFORE ORDERED by the Oklahoma Board of Medical Licensure and Supervision as follows:

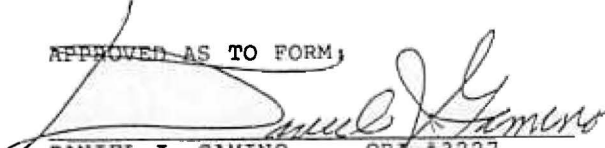

1. That Oklahoma Medical License No. 7985 of the Defendant, Louis F. Glatch, M.D., should be and is hereby revoked.

2. That the Board staff be instructed to inform Defendant as soon as possible of this ruling.

DATED this 27th day of MAY, 1988.

MARK R. JOHNSON, M.D., Secretary
State Board of Medical Licensure
and Supervision
