Dear Doctor Chesnut:

Thank you for appearing before the Board in regular session on May 15, 1976 in compliance with the terms of your probation.

After a full discussion, the Board took the following action:

"***motion was duly made, seconded, and carried, that the terms of his probation be amended to include the following: he is to immediately put himself under the care of a psychiatrist, and have his psychiatrist furnish reports to the Board prior to his appearances before the Board. He is also to abstain from the use of Talwin, otherwise, he faces the revocation of his license to practice medicine and surgery in the State of Oklahoma".

The Board also recommends that your wife accompany you in your sessions with the psychiatrist.

Sincerely,

E. W. YOUNG, JR., M.D.
Secretary
