ORDER TERMINATING PROBATION

This cause came on for hearing before the Oklahoma Board of Medical Licensure and Supervision on October 26, 1990, at the office of the Oklahoma State Board of Medical Licensure and Supervision, 5104 N. Francis, Suite C, Oklahoma City, Oklahoma, pursuant to notice given as required by law and the rules of the Board.

Daniel J. Gamino, Attorney, appeared for the Plaintiff; and Stanley J. Dombek, Jr., M.D., appeared in person and by counsel, Larry Derryberry and J. Lawrence Blankenship, Oklahoma City, Oklahoma.

The Board of Medical Licensure and Supervision en banc heard the oral argument of counsel, reviewed exhibits, and being fully advised in the premises, the Board of Medical Licensure and Supervision finds as follows:

FINDINGS OF FACT

- 1. That Defendant, Stanley J. Dombek, Jr., M.D., holds Oklahoma Medical License No. 9647.
- 2. That the Oklahoma Board of Medical Licensure and Supervision en banc has jurisdiction over the subject matter herein and that notice has been given in all respects as required by law and the rules of the Board.
- 3. That on or around June 9, 1989, Defendant was placed on three-year probation to the Oklahoma Board of Medical Licensure and Supervision under certain enumerated terms and conditions.
- 4. That Defendant has been in compliance with the terms and conditions of probation from the imposition of same to this date. That nothing in the Defendant's professional or personal activities has been found to show any threat to public health, safety or welfare. That fluid testing by representatives of the Oklahoma Board of Medical Licensure and Supervision, and St. Anthony's Hospital, Oklahoma City, has not produced any evidence of Defendant's personal use of controlled dangerous substances.
- 5. That the probation originally imposed by the Board on June 9, 1989, should be terminated, set aside and held for naught.

CONCLUSIONS OF LAW

1. That the Board has jurisdiction over this matter pursuant to the Oklahoma Medical Practice Act, 59 O.S. Supp.

1989, Sec. 481 et seq., and the Board has the exclusive judgment and discretion to terminate probation that was previously imposed.

2. That evidence adduced at the hearing indicated said probation should be terminated.

ORDER

IT IS THEREFORE ORDERED by the Oklahoma Board of Medical Licensure and Supervision as follows:
