OKLAHOMA STATE BOARD OF  
MEDICAL LICENSURE & SUPERVISION

Case No. 04-03-2778

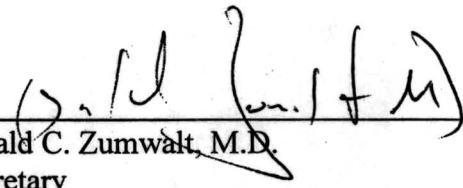

**ORDER SETTING HEARING DATE**

In consideration of the Plaintiff's request to set the matter for hearing, the Board enters the following findings of fact, conclusions of law and orders:

1. Defendant's hearing on the Complaint and Citation pending in this case was initially set for September 23-25, 2004.
2. On January 27, 2005, the Board entered a Final Order of Suspension whereby Defendant's license was suspended indefinitely until he completed treatment and all recommendations of Rush Behavioral Institute and provided a report to the Board, at which time Defendant could appear before the Board and seek reinstatement of his license. At that time, the Board did not make any findings on the merits of the underlying Complaint.
3. As of January 26, 2005, Defendant has failed to provide the Board with a report from Rush.

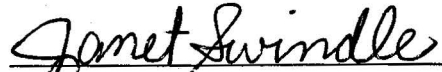

4. The State requests that the matter be set for hearing on the merits of the case while the witnesses and evidence are still available.
5. For good cause shown, the State's request to set the matter for hearing before the Oklahoma State Board of Medical Licensure and Supervision *en banc* at its next regularly scheduled meeting on March 9, 2006 at 1:00 p.m. is granted.

Entered this 3 day of February, 2006.
